- Founded January 1917.
- In continuous operation (did not suspend operations even during WWI or WWII when radio amateurs were ordered off the air) since.
- Affiliated with ARRL (the national organization for amateur radio) December 5, 1919. MRAC is the oldest, longest affiliated club still active.
- Held first electronics and Morse code classes in 1922. Classes have run numerous times over the years since.
- Had a run of 20 years of continuous license classes from 1976 - 1996 with over 500 people attending those classes.
- Built equipment and coordinated the operation of the War Emergency Radio Service in Milwaukee during WWII.
- Have hosted State and Division amateur radio conventions.
- Hosted ARRL national convention for 1948 in Milwaukee.
- Equipped, owned and operated a public service communications van during the 1950's.
- Club members have held numerous positions with national amateur radio organizations.
- Club members have also been county and state Amateur Radio Emergency Service (ARES) Emergency Coordinators.
- Founded Milwaukee County ARES in the 1950's.
- The club founded one of the 14 national Volunteer Examiner Coordinators (VEC) in 1984 to conduct FCC amateur radio license examinations.
- The MRAC-VEC manager was Chairman of the National Council of Volunteer Examiner Coordinators (NCVEC) from 2004-2009.
- Sponsored Wisconsin centered amateur radio operating contest during the 1950s.
- Has served as contact manager for 2 space shuttle SAREX (Shuttle Amateur Radio Experiment) missions.
- Has operated in every annual national amateur radio Field Day event since the first in 1930.
- Partners with another local club for current Field Day.
- Currently operates a amateur radio repeater with radio coverage of over 10 counties in southeastern Wisconsin with antennas and equipment at local public TV transmitter site and tower.
- Operates an amateur radio swapmeet in conjunction with another area club which draws over 300 people from southeastern Wisconsin and northern Illinois.
- Sponsors a radio contest covering a number of very high frequency bands. The contest format is copied in various areas of the country.
- Well over 1100 people have been club members over our 95 years.
